Brief Project Description:*

In 50 words or less (limited to 275 characters), please provide a description of your project. This may be used to share your project with the public, so please refrain from using technical jargon. Your summary should provide a layperson a strong sense of your idea without requiring follow up questions.

Ex. Children are losing interest in reading! Studies show the frequency of reading drops off heavily in the teen years and teen readers have dramatically declined over the last 40 years. With food, friends and, of course, the right books, Book Club is the perfect remedy.
